

QUICK ACCESS TO SDS DATABASE

Scan the QR code below to instantly access all Safety Data Sheets (SDS) for materials used by Deployed Logix (DLX). This system ensures fast, reliable access to critical safety information.

SCAN ME

HOW TO USE:

1. Open your phone camera
2. Scan the QR code
3. Tap the link that appears
4. Search for the material you need

IMPORTANT SAFETY NOTICE

SDS information must be accessible at all times
If the QR system or an SDS is unavailable, contact your supervisor immediately
Always review SDS before handling unfamiliar materials
